PRAYER CONNECTION

LET'S PRAY:

- **Lauren Danforth** - My Father (**Douglas**) and I along with my Mom's (**Nancy**) medical team made the difficult decision to bring my mom home on Monday for hospice. Pray for my Mom's peace and comfort during this time and for the challenging task of caring for and saying goodbye to my mom in the following weeks and or months.
- **Grant and Donna Dunkle** - Last Tuesday morning God chose to bring **Barb** home to heaven to be with Him. After a month of extreme physical challenges, she is now 100 percent physically healed and her suffering is over. We are so thankful that she had a relationship with Christ, and we thank all of you for your prayers for our son-in-law's mother. We ask that you pray for comfort for the **Cousineau family**.
- **Grant and Donna Dunkle** - Please continue to pray for my mom (**Kitty**) who is still in rehab. I request prayers for healing, strength, for the ability to be able to walk again and that He would help her not to be discouraged. Thank you for praying.
- **Johanna Liu** - My friend, Chad Smith, was killed by an out-of-control vehicle while waiting at a crosswalk in Dallas with his brother-in-law on Thursday. Both Chad and his brother-in-law, Sam Arlia were struck by the car and died of their injuries later. I served with Chad on the worship team at Denver United for several years. They were devoted Christians and co-laborers. Please pray for Chad and Sam's families as they grieve; both leave behind their wives and children.
- **Jan and Forney Wells** - MaryJo has an appointment with her neurologist this week. Please pray for her that God is with the doctors and whatever treatment she needs to receive.
- **Bev Burns** - Bev is still in rehab at Sloan's Rehab Center. She is very weak and is trying to get better. She said this is a lot harder than breaking a bone. Please pray she can continue to do well so that she can be released soon. Also keep praying for Bev's daughter in Alaska who is battling a pretty advanced cancer.
- **Pat Sprouse** - She was discharged to her new place last Thursday. Brookdale Lowry, 150 Quebec St., Apt 306 E, Denver, CO 80230. It's an assisted living. We are so happy that she can go home - to her **new** home.
- **Deanna Oster** - Please pray for **Kory**, he went into a fib around midnight Tuesday night and has been in the hospital since and they can't reverse it. They have to do a procedure but not till next week because he has to be on the meds for at least four days. Thank you for praying.
