 - **Forney and Jan Wells** - Our granddaughter, Shelby, has been dealing with a flare up of her MS. Pray for the Lord's comfort and healing. AND pray for our friends George and Margaret Vessey's daughter and family. Their house was hit by the tornadoes down in Georgia and took the roof off. The family is okay.
 - **Pam Heye** - Update on **Josh**, his kidney numbers were high again last Thursday. He is off the IV antibiotics and taking them orally. He sees his Orthopedic Surgeon on the 23rd. Currently he is having in-home physical therapy.
 - **Jim & Kathy Newell** - Regarding Wendell Bash and his heart operation, Wendell came through his surgery successfully and is now in rehab.
 - **Ginger Davis** (now in Florida and was a long-time member of RRF) has been diagnosed with TB. They are presently trying to find out where in her body she has it. Pray for endurance while tests are being done. She is very anxious.
 - **Linda Schachterle** - My sister-in-law, Lynda went into the hospital in Loveland two weeks ago and was unable to stand or walk. She started on hospice care and passed away Monday. Pray for peace and comfort for her family.
 - **Heather Pittenger** - The whole family is sick with the flu. Please pray especially for Katie. She is doing the worst and **praise** she does not have pneumonia but has a double ear infection.
 - **Franz Parks** was in the hospital. He has an infection and fell and hit his head. Pray for healing and for wisdom for the doctors. Dreama is at home with 24-hour care while Franz is in the hospital.
 - **Terri and Russell Witkop** - Pray for our daughter-in-law, Amanda, and her pregnancy. ALSO pray for Melissa, our friend. She has vertigo bad and is not doing too well. She is waiting to get into an ENT.
 - **Tami Snowden** - I had an MRI this week and saw my radiation oncologist on Thursday. The MRI shows a fracture in my L5. Radiation can cause fractures. And, I taught on Saturday on trauma for a short-term team heading out to work on the Indian Reservation. It is just two hours but I am excited to help prepare them for what they will experience with the children.
 - **Deanna Oster** - Please pray for **Sam, Ashley and Bradley Bryant**. Bradley is three, and his grandpa accidentally ran over him with the tractor. This was south of Wray. He is in Children's Hospital, has a broken collar bone, ribs, but they are really worried about his head. They have him in a coma. His aunt said he made it through the first 24 hours, which is a great sign, but he is still critical.
