PRAYER CONNECTION

PRAISE!

- **Jan and Forney Wells** - Terry Johns who was in the ICU in Colorado Springs is home now. Thank you for your prayers.

LET'S PRAY!

- **Harold and Imogene Johnson** - Harold had an appointment with the dermatologist on Tuesday. He has referred Harold to an allergist. Pray that he can get an appointment quickly. Imogene's biopsy on Monday went well. Results on 10/7/22. Please pray it will give the Dr. some direction in my treatment.
- **Currat Family** - Continue to pray for the family as they get used to their new normal without their 6-year-old Simon.
- **Donna Dunkle** - Continued prayers for my 86-year-old mom, Kitty Stephens. She is doing much better but they still need prayer.
- **Bob Schueneman** - Praise God that Bob Schueneman had a successful surgery for a pacemaker and is out of Rehab after 2 weeks. Please pray for him and his family as he has to move this month to assisted living, possibly Gardens at Columbine in the Ken Caryl area.
- **Chris Nitta** - Prayers for Chris as she recoups at home and for her incision to heal quickly.
- **Sue Rairdon** - Pray for the Busenbark family as they are all sick as of Tuesday morning and have been positively exposed to Covid. They are very disappointed that they need to cancel their trip to CO and to our church today.
- **Lori Lyons** - Alivia went home on Thursday. She still has the trachea for a while. Lots of healing and therapy is still ahead.
- **M.E. Armbruster** - Please pray for my friend Jennie who's battling ovarian cancer. Pray that she will completely lean on and trust the Lord.
- **Terri Witkop** - Her son, Jason, had major back surgery on Monday and Wednesday. He will stay in the hospital for at least 5 days.
- **Lauren Danforth** - Pray for a family friend Mary whose husband (Keith) had an aortic aneurysm last week. Also, my Dad, Douglas, had a minor procedure done last Thursday to remove an area on his chest that came back with pre and cancerous cells. Pray for good margins and quick recovery as he is the primary caregiver for my mom.
- **Heather Pittinger** - Her Dad, Allen, had an appointment last week to see if he has skin cancer. He already has Non-Hodgkin's Lymphoma and is in remission. The Doctor thinks it is most likely skin cancer. They will schedule a surgery to remove it. Pray it has not spread and that the surgery will get it all.

General Health - Joe Boso, Bev Burns, Gary Isaacson, Leonard and Barbara Jenkins, Terry Reindl, Pat Sprouse, Dale Fester.

The EFCA has already raised \$1,957,748 and a new goal of \$3,000,000 will help Crisis Response and ReachGlobal provide holistic pathways for discipleship, leadership development and church planting in Ukraine and throughout Europe. Here at RRF, you can give on line and choose 'Ukraine Fund' or write a check to Red Rocks Fellowship with Ukraine Fund in the memo.
