PRAYER CONNECTION

PRAISES!

- **Barb Roberts** - Thank you for praying! Gary Roberts' procedure went well and the mass in question was found to be scar tissue from a previous procedure. Please pray for the upcoming kidney MRI on November 23rd.

LET'S PRAY!

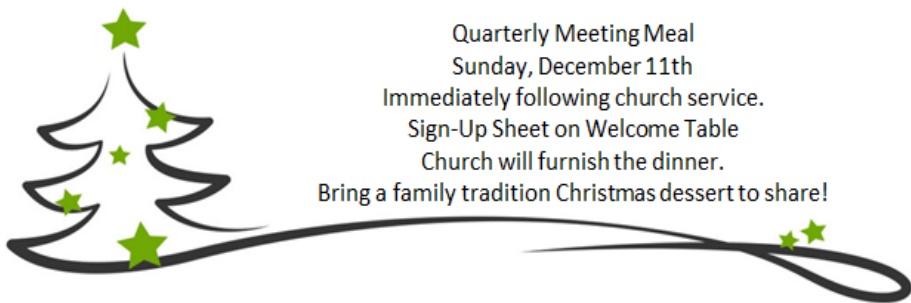

- **Kim Becker** - Jon and I arrived in Fresno yesterday to spend Thanksgiving with loved ones. Unfortunately, his father tested positive for COVID this morning. Please pray for Dennis Becker that he recovers quickly and easily, and that mom (Nancy) doesn't get sick.
- **Imogene Johnson** - I get my last chemo this afternoon and then discharged later is the plan. I had my last Lumbar Puncture for Part B yesterday afternoon. Had to get IV's of calcium, magnesium and two bags of platelets during the night so I didn't get much sleep. Our son, daughter-in-law, and grandson are here from Albuquerque so we are looking forward to seeing them. Thanks for continuing to pray!!
- **Steve Santoro** - Steve's mother passed away last Saturday night. Pray for Steve and the Santoro family. Pray that the services for his mom are joyful and his brother and father are able to adjust to a more normal life now.
- **Irv Joliffe** - had significant oral surgery on Tuesday. Pray for wisdom for the doctors and quick healing for him.
- **Chuck and Carolyn Fertig** - Chuck has back surgery scheduled for Dec 1st. Pray for the Lord to put his healing hand on both of them & watch over them through his surgery!
- **Don Mance** - Pray for his mom, Virginia Pafbe in Florida-83 years old. She has colon cancer and they removed a mass from her colon. She is doing well after surgery. Pray the tumor isn't malignant. So far, all the tests look good.
- **Deanna Oster** - Pray for my Uncle Don Workman - He had a fall last week that cut his face up pretty good. ER visit revealed no broken bones or brain trauma. Fast forward a few days and he's struggling putting sentences together now. He's in stage 3 of dementia and we're not sure if the fall is impacting that. They went to the VA on Wednesday and hope to have some answers and direction for next steps. Especially pray for Aunt Diase as this is causing her some stress as can be imagined.
- **Lauren Danforth** - Continue to pray for Everlee (from Iowa), only 7 months old waiting for a heart transplant at Children's Hospital in Denver.

General Health - Joe Boso, Bev Burns, Gary Isaacson, Leonard and Barbara Jenkins, Terry Reindl, Pat Sprouse, Dale Fester, Chuck and Carolyn Ferdig

MISSIONS OF THE WEEK
CONTINUE TO PRAY FOR UKRAINE

The war is still going on. Ukraine and Russia both need our prayers! If you would like to give to help with the refugee crisis in Ukraine, the Evangelical Free Church has set up a fund. You may give on line through our website.

Missions Door - Honduras

We give Thanks:

- We give thanks for a new house.
- We give thanks for our children.
- We give thanks for our good health
- We give thanks for 4 new churches we are planting.
- We give thanks for more than 25 people baptized.
- We give thanks for those who support our ministry.

We give thanks for those who pray for us. It is a valuable contribution.

1. Pray that our home will be a place where the Peace of God's love is manifested.
2. Pray for our children to have strength, health, wisdom & follow the Lord's path.
3. Pray that we will remain in good health.
4. Pray that the transformational impact can continue in the 4 church plants & that we can have the needed transport to reach them. Pray as our pickup is now having the motor overhauled.
5. Pray that we will soon see other people being baptized.
6. Pray that those who take the training will feel their call to service within God's Kingdom.
7. Pray for the \$1000 monthly support for our family to be completed.

Thank you for your continued support. Thank you for intentionally loving Honduras. The ministry has been made possible because you have accompanied us with your prayers and financial support during this time. Without funds it is almost impossible to reach so many people. Thank you for being a part of our lives!
